The Board appointed Paul DeBuigne, as Monaghan's representative to the Northern Community Task Force's Recreational Project.

Chairman Cotenham read a letter that was received from Vice President Dan Quayle thanking the township for the clock and hospitality extended to him on his recent visit to Monaghan Township.

Township resident Ann Miller expressed her disapproval of the Board spending $74.00 of the township's money on the clock which presented the clock to the Vice President, Township Supervisor's Monaghan Township, at a recent Republican campaign fund raiser.

Ann Miller also questioned if Upper Allen had responded to a letter Monaghan officials forwarded to Upper Allen officials stating on the Yellow Breeches Creek. Mrs. Miller was informed that Upper Allen did not responded to the letter and Secretary Spear was directed to follow-up on the matter. Upper Allen has held public hearings on the matter but it was not known if a final decision was made concerning the rezoning.

Reflections on a Lifetime

(Continued from last week)

By Dale M. Bentz
Iowa City, Iowa, 1990

MY ANCESTRY

According to my grandfather, the first generation of immediate Bentz family in this country began with Georg (George) Jacob Bentz who came from Germany as an immigrant on the ship, "William," and he arrived on October 31, 1737. It is possible, however, that this generation began with Nicholas Bentz who lived in Germany from 1758 to 1828.

Most of the early generations are buried in the Barens (Salem) Cemetery near Dillsburg in Pennsylvania, and the earliest record date on a tombstone is that of George, a possible grandson of George Jacob, who lived from 1807 to 1893. He had a brother, Jacob L. (1804-1874) who apparently had three sons and a daughter: Michael (1830-1895) who was Irvin's fatherin Suasmnah (1834-1857), Jacob S. (1836-1915), and David (1843-1928). George married Nancy Grove (1812-1894), and they had ten children, five sons and five daughters. One of those five sons was my great grandfather Solomon Bentz who lived from 1841 to 1909.

Solomon Bentz married to Henrietta Hershey, had three sons and four daughters. Monroe Hershey Bentz was the third eldest and was may grandfather. His oldest brother, William, farmed next to him at Mt. Top for many years, and the other brother, John, died of pneumonia at the age of twenty-seven. Of the girls, Elizabeth married Elmer Sheffler, and they had one son, Chester. Mary married Reuben Strayer, and they had four children; Nannie married Alvin I. cook, and they had three children; and Emma married John Wonders, and they had four children.

Needless to say, in the early part of the twentieth century in rural Pennsylvania, these families were all very close, and we grew up knowing our great uncles and aunts and their families very well. Of course, the only one I did not know was John since he died in 1896 but I did know his only child, Theresa, very well.

Monroe H. Bentz who lived from 1871 to 1958 and who was may paternal grandfather had perhaps the greatest influence on my life. He was farmer, a schoolman, a politician, and an all-around nice thoughtful gentleman. He married Nora Cook and together they had four children: the eldest of whom was my father, Clarence Earl Bentz. The others were: Lester Walker (1898-1957); Ethel Henrietta who married Heber C. Coulson and lived from 1902 to 1978; and Ruth Pauline who lived only five months from June to November of 1915.

Nora Alice Cook Bentz, my paternal grandmother, was born September 22, 1875 and lived almost fifty-two years. She died on November 9, 1927 just three months before my own mother's death at the age of thirty-three. Grandmother Bentz came from a large family of two boys and six girls. Her father, Walker Cook, whom I remember well, died in his ninety-third year from a fall down the stairs while he was living with one of his daughters. He worked around the farm the day before the accident and died in the Carlisle Hospital on December 21, 1942. At the time of his death, he had twenty-eight grandchildren, sixty-one great grandchildren (of whom I was one), and twenty-eight great, great grandchildren. He was married to Mary Jane Klinedinst who died on July 6, 1987 at the age of forty-six. The children in that family were: Calvin, Roselle (Ray) who married Howard Myers, Clara who married William Neater, Ameita who married Philip Myers, Nora (my grandmother) who married Monroe H. Bentz, Bertha who married George Wonders, Gertie who married Lewis Kinter and Charles.

My father was known to Earl Betz although some of his farming buddies used to call him "Sully". He was raised on the farm where I was born and worked there during the early part of his life. He married young and he and my mother struggled to make ends meet during the first World War. He was born July 16, 1894, and died in a boating accident at Mt. Dora, Florida on March 22, 1990 in his sixty-fifth year.

Re/Max Hot Air Balloon Rides

Some visitors to Dillsburg's 75th Annual Farmers' Fair this fall may be able to "take a step above the crowd." The Re/Max hot air balloon is scheduled to be tethered on the Dillsburg Youth Baseball fields from 2 to 5 p.m. Saturday, October 20. Weather permitting, rides will be offered to the general public at a nominal fee, with proceeds to help offset costs of other fair activities.

Re/Max Professional Consultants of Dillsburg is coordinating and funding transport and display of the New Jersey based balloon. According to Daisy Ohrum, local Re/MAx broker, a Re/Max balloon was here in the spring for the Logan Park Earth Day celebration and proved to be a popular attraction even though it couldn't get off the ground due to high winds.

The Fair Association also announced that a popular indoor activity, the sheep-to-shawl demonstration, will be held in the Community Building from noon until 3:30 p.m. This will be the second year that the State Farm Show Champion Wool Wizards will card, spin, and weave a shawl for fairgoers education and enjoyment. A silent auction for the purchase of the shawl will continue throughout the demonstration, which is being sponsored this year by Sheaffer's Masonry of Dillsburg.

Additional activities being planned for this year's fair include entertainment by Sierra Blue, country-rock stylists, Friday evening, and a concert by the New Singer Band on Saturday afternoon.
